

# 2020 SWANA *palooza*

March 23–26, 2020 | Atlanta, Georgia  
The Westin Peachtree Plaza

SWANApalooza, the industry's premier technical conference, showcases technologies and solutions to transform waste into a resource. Come to Atlanta to find resources that address your biggest challenges.

Participate in the industry's #1 technical conference to:

- **Learn** how to apply the most current and promising innovations
- **Get** a first look into the latest research
- **Prepare and respond** to the latest industry-changing rules and regulations
- **Deliver** a safer workplace
- **Discover** new ways to meet your challenges

Join us as we examine the groundbreaking work of advancing solid waste and recycling management.
