

SWANA 2023 Evergreen Chapter 38th Annual Regional Symposium

Wednesday

Orca Ballroom

8:00-9:00 AM Breakfast
8:10-9:00 AM Keynote Speaker: *Kelley Johannsen, Republic Services*

Track A: Facilities/Landfills/Safety

Chinook I/II

1A 9:10-10:10 AM	<i>Julie Flynn,</i> Waga Energy	How Can the Challenges of Landfill Gas be Overcome on Small-to-Medium Size Landfills?
	<i>Jamaal Montasser,</i> Perdico Energy	Autonomous Micro-Grids: A Climate Solution for Small-Medium Landfill Methane Emissions

Track B: Planning/Diversion/Organics

Chinook III/IV

1B PANEL 9:10-10:40 AM	<i>Kevin McCarthy,</i> JRMA	Organics Processing Solutions and Challenges to Meet HB1799 Requirements
------------------------------	--------------------------------	--

Orca Ballroom

10:10-10:40 Exhibitor Break

2A 10:50-11:50 AM	<i>Peter Bannister,</i> Aspect Consulting	After the Flare Shuts Off: Biofilters Applied to Landfill Gas Treatment
	<i>David Powell,</i> Afitec-Textel	Multi-Linear Drainage Geocomposites and Mechanical Connections for Increased Gas Extraction Efficiency on Landfill Covers

2B 10:50-11:50 AM	<i>Shayne Petkiewicz,</i> Anaergia	Recovering Organics from MSW and SSO and Converting to Renewable Energy and Fertilizer Using Anaerobic Digestion
	<i>Lyndsey Lopez,</i> Jacobs	New Regulations and Funding Opportunities Affecting Organics Management and the New Opportunities They Will Open

Orca Ballroom

12:00-1:00 PM Lunch
12:10-1:00 PM Keynote Speaker: *Kate O'Neill, UC Berkeley*

3A PANEL 1:10-2:10 PM	<i>Tom Parker,</i> SCS Engineers	Interactive Panel Discussion on Aging Transfer Stations
	<i>Alex Stege,</i> SCS Engineers	Estimating the Effects of HB 1799 on Landfill Gas Recovery from Washington's Landfills
4A 2:20-3:20 PM	<i>Evan Griffiths,</i> Jacobs	How Municipalities are Managing Aging Critical LFG Infrastructure

3B 1:10-2:10 PM	<i>Piper Roelen,</i> Landau Associates	A Road from Waste to Economic Opportunity
	<i>Jessica ShROUT,</i> Three Circle Branding	TikTok, Instagram, & Beyond – Talking Trash on Social Media
4B 2:20-3:20 PM	<i>Charlotte Ueta,</i> City of Toronto	Navigating the Transition of the Blue Box Recycling Program to Extended Producer Responsibility: The Toronto Experience
	<i>Matt Hobson,</i> FCS	

Orca Ballroom

3:20-3:50 PM Exhibitor Break and Prize Drawing

5A 4:00-5:00 PM	<i>Brad Granley,</i> Leachate Management Specialists	Taking Fear Out of PFAS – Direct Removal of PFAS from Raw Leachate Via Foam Fractionation
	<i>Kristine Sommer,</i> Clear Water Services, LLC	"Temporary and Pilot Treatment Systems as Interim Compliance under the IGP"

5B 4:00-5:00 PM	<i>Will Burrows,</i> BC Used Oil Management Association	Managing Used Oil in BC through EPR
	<i>Alex Schay,</i> NW Alliance for Clean Transportation	Where the Rubber Meets the Road – Financial & Environmental Benefits of Converting Trucks from Diesel to RNG

Orca Ballroom Lobby

5:00-6:00 PM No-host Cocktails and Close-up Magic

Orca Ballroom

6:00-8:00 PM Banquet and Entertainment

Thursday

Orca Ballroom

8:00-9:10 AM Breakfast
8:10-9:00 AM Keynote Speaker: *Alli Kingfisher, DOE*

Track A: Facilities/Landfills/Safety

Chinook I/II

6A 9:10-10:10 AM	<i>Wendy Mifflin,</i> HDR Engineering, Inc.	Planning the Next Generation of Solid Waste Management
	<i>Nathalie Marble,</i> Morrison Hershfield	Overcoming Design and Construction Challenges – Experiences Designing Small to Large Solid Waste Transfer Stations

Track B: Planning/Diversion/Organics

Chinook III/IV

6B 9:10-10:40 AM	<i>Katherine Saltanovitz,</i> Landau Associates	Facility Management Perspectives: Organics Trends and Changes
---------------------	--	---

Orca Ballroom

10:10-10:40 Exhibitor Break

7A 10:50-11:50 AM	<i>Sally Hulsman,</i> Seattle Public Utilities	Weird Spaces and Tight Places: Innovative Solid Waste Access Solutions
----------------------	---	--

7B 10:50-11:50 AM	<i>Michelle Langdon,</i> Great West Engineering	Unique Funding Opportunities for Waste Management Facilities
	<i>Brian Halverson,</i> King County <i>Matt Hobson,</i> FCS	Financing Zero Waste of Resources: Insights from King County's Tipping Fee Restructure

Orca Ballroom

12:00-1:00 PM Lunch
12:10-1:00 PM Keynote Speaker: *David McCary, City of San Antonio*

8A PANEL 1:10-2:10 PM	<i>Karamjit Singh,</i> SCS Engineers	Rethink Contingency Plans for Waste Systems: Panel Discussion
	<i>Dave Schonhard,</i> Snohomish County	
9A WORKSHOP 2:15-3:15 PM	<i>Travis Dutton,</i> Washington State Association of Counties	Rethink Contingency Plans for Waste Systems: Workshop

8B 1:10-2:10 PM	<i>Michelle Leonard,</i> SCS Engineers	Organic Materials Management: Lessons Learned from California and How to Survive HB 1799
	<i>Emily Coven,</i> Recyclist	Lessons Learned from Data Gathered in the First Year of SB 1383, California's HB 1799
9B 2:15-3:15 PM	<i>Lauren Beauban and Laura Johnson,</i> SCS Engineers	California's SB 1383 Technical Assistance
	<i>Keshav Parikh,</i> Civil & Environmental Consultants, Inc.	Overview of California Senate Bill SB 1383 and Waste Discharge Requirements (WDR) for Compost Facilities

Orca Ballroom

3:15-3:45 PM Closing and Grand Prize Drawing
